Dear Paul

Thank you for your correspondence dated 10th June 2021 regarding the Saxonvale site in Frome.

Mendip District Council remains fully committed to its current partnership to deliver a high quality, environmentally sustainable commercial and urban living development. The scheme will provide a mix of uses, and accommodation to help satisfy current housing demand and generate benefits for the residents across the whole district.

We are not supporting alternative proposals or considering requests to purchase all, or part, of the site at this time.

Yours sincerely
