

Song Lyrics

As I Me Walked

As I me walked on a May morning I heard a bird sing...cuckoo!
As I me walked on a May morning I heard a bird sing...cuckoo!
As I me walked on a May morning I heard a bird sing...cuckoo!
As I me walked on a May morning I heard a bird sing...cuckoo!

Cheshire May Day Song

On this pleasant morning, together come are we
To tell you of the blossom that hangs on every tree
We have stayed up all ev-en-ing to welcome in the day
Good people all both great and small... it is the first of May!

Rise up the master of this house, put on your chain of gold
And turn unto your loving wife, so comely to behold
Rise up the mistress of this house, with gold upon your breast
And if your body be asleep... we hope your souls are dressed.

God bless your house and arbour, your riches, and your store
And may the Good Lord prosper you, both now and evermore
So now we're going to leave you, in peace and plenty here
We will not sing this song again... until another year

Good people all both great and small... it is the First of May!

It's How We See The Winter Out

It's how we see the winter out,
From our homes and through the gate,
And in the lovely fields beyond
Man and spring and summer wait.

In The Sweet Bye And Bye

There's a land that is fairer than day
And by faith we can see it afar
For the Father waits over the way
To prepare us a dwelling place there

In the sweet by and by
We shall meet on that beautiful shore
In the sweet by and by
We shall meet on that beautiful shore

We shall sing on that beautiful shore
The melodious songs of the blessed
And our spirit shall sorrow no more
Not a sign for the blessing of rest

In the sweet by and by
We shall meet on that beautiful shore
In the sweet by and by
We shall meet on that beautiful shore

To our bountiful Father above
We will offer our tribute of praise
For the glorious gift of his love
And the blessings that hallow our days

In the sweet by and by
We shall meet on that beautiful shore
In the sweet by and by
We shall meet on that beautiful shore
In the sweet by and by
In the sweet by and by, oh

Here Comes The Sun

Little darling, it's been a long, cold, lonely winter
Little darling, it feels like years since it's been here
Here comes the sun,
Here comes the sun, I say
It's alright, it's all right... it's alright

Little darling, the smile's returning to their faces
Little darling, it seems like years since it's been here
Here comes the sun,
Here comes the sun, I say
It's alright, it's all right... it's alright

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear
Here comes the sun,
Here comes the sun, I say
It's alright, it's all right... it's alright

Coda:

Here comes the sun, here comes the sun (tune + harmony)
It's alright now, it's alright now (parts 3+4)
Little darling, little darling (part 5)
